PER MWSL RULES, SECTION 8;01: YOUTH PLAYERS MUST BE AT LEAST 16 (SIXTEEN) YEARS OLD

**Please note that youth players "playing up" must follow this rule:**

A youth player will be allowed to play up an unlimited number of amateur games without losing his/her youth eligibility providing the appropriate procedures are followed:

1. The player must be registered with an MYSA team.
2. The player must have only a youth pass. A youth player may not have an amateur pass at the same time he/she is playing youth games, but must provide an amateur membership card.
3. The player must bring in this completed application and their current MYSA pass (before laminating) to the MYSA State Office.
4. The MYSA pass will be marked with the amateur club affiliation, so it will be identifiable as authorized to play amateur. Special arrangements will be made for MSA games that are played prior to the issuing of passes by the MYSA.
5. In the event of a conflict between an amateur game and a youth game, the youth game should take preference.

If the above procedures are followed, the youth player may participate in both young and amateur competition, abiding by the respective rules of each. It should be pointed out that yellow and red card violations are recognised by the respective youth and amateur governing bodies so that, if there is a suspension, it will be enforced by both. In accordance with MYSA rules page 6-3:

- All cautions and send offs will be carried over to youth games.
- A player who plays in an amateur game without a properly approved pass will be subject to a 2-game suspension on the youth team in which he/she is registered

**NO PASS NO PLAY.**

The clubs are responsible for distributing information regarding the rules for youth participation in amateur games.
